This paper is submitted in response to the final Office Action dated May 23, 2002 for which the three-month date for response is August 23, 2002.

It is believed that no fee is due; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to this document, the Commissioner is authorized to deduct said fees from Fulbright & Jaworski Account L.L.P. No.: 50-1212/10012509/GNS.

Reconsideration of the application in view of the following remarks is respectfully requested.

RESPONSE TO OFFICE ACTION

A. Status of the Claims

Claims 22-97 were pending prior to the Office Action dated May 23, 2002. All claims were rejected. No claims are amended, added, or cancelled, and thus the claims pending in this case are 22-97.

B. A Terminal Disclaimer Is Submitted over Application 08/626,678

Claims 22-97 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 29-32 and 34-35 of U.S. Patent Application Serial No. 08/626,678 (INRP:005--1). Applicants recently received a Notice of Allowance in that application. Applicants submit herewith a terminal disclaimer. Therefore, Applicants request this rejection be withdrawn.

C. Provisional Double Patenting Rejection Should Be Withdrawn

The Action provisionally rejects claims 22-97 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 9-13, 22-52, and 56-72 of U.S. Patent Application Serial No. 08/459,713 (INRP:019).

Because this is a provisional rejection and the cited application has not been allowed, Applicants are not submitting a terminal disclaimer over this application. Because this is the only remaining rejection, and it is provisional, Applicants respectfully request this application pass to allowance.

CONCLUSION

Applicants believe that the foregoing remarks fully respond to all outstanding matters for this application. Applicants respectfully request that the rejections of all claims be withdrawn because they are in condition for allowance.

Should the Examiner desire to sustain any of the rejections discussed in relation to this Response, the courtesy of a telephonic conference between the Examiner, the Examiner's supervisor, and the undersigned attorney at 512-536-3081 is respectfully requested.

Respectfully submitted,

Gina N. Shishima
